

GET INVOLVED!

COMMUNITY MEETING THURSDAY, JANUARY 26

LOCATION & MEETING TIMES

VETERANS MEMORIAL BUILDING

610 St. Francis Way

1:30 - 4:00 pm

6:00 - 8:30 pm

Come join in a meeting to help guide the future of Rio Vista! We are at a critical stage in preparing the General Plan and we need community input. This meeting will focus on three Key Elements of the General Plan:

Land Use

Where homes and stores will be located and what will they will look like.

Circulation

How cars, trucks, bicycles and pedestrians get around town.

Economic Development

How the City will attract new businesses to provide jobs, services and stores to serve the community.

THE GENERAL PLAN provides goals and policies to guide a community in realizing its future vision. General Plans help City leaders make decisions regarding land use, housing, mobility, infrastructure, and recreation/open space needs.
